EDUCATION

University of Sydney *2013-2019*
Bachelor of Health Science and Masters of Nursing
Business Management

Student Representative (2013 - 2014) - Health Science and Nursing
Exchange Student at Aiesec Sydney
Overall GPA: Distinction (3.5/4.0)

EXPERIENCE

Westpac - BT Financials November 2018 - Present
Business Analyst *Barangaroo, Sydney*

· I was responsible for writing user stories for ROA Template, testing user stories, gathering and analysing data. I also created a wireframe for a feature that will be added on BT Panorama and designed a landing page for both investors and advisers. Aside from my responsibilities as a Business Analyst, I also led a team of interns in making a strategy to understand and resolve the problem underlying the BT Panorama.

Vita Group August - October 2018
Sales Consultant *Penrith, NSW*

· My responsibility was to provide a personalised service and advice to uncover customers' needs and provide them with solutions

Telstra January - July 2018
Sales Consultant *Market St. Sydney*

· My responsibility is to share my knowledge about the products and services offered by Telstra.

Tiffany and Co. October 2017 - January 2018
Sales Consultant *Bondi Junction, Bondi*

· My responsibility was to provide the Tiffany Blue experience to customers, assist customers in finding the styles that would suit them and resolve their queries in empathetic manner.

Royal North Shore Hospital 2015-2016
Assistant Nurse *St Leonards*

· My responsibility was to assist the nurses in attending the needs of the patients.

TECHNICAL STRENGTHS

Wireframe	Microsoft Powerpoint
Creating a prototype	Invision
Visual Design	Paint 3D, Adobe Photoshop, Canva
Machine Learning	Python with Numpy and Pandas
Website (coded)	HTML5 and CSS
Data Visualisation	Tableau
Typesetting Document	Latex
Programming	Java and Java Script, Python, HTML and CSS

VOLUNTEERING ACTIVITIES

CoderDojo   2018-Present
Champion   *Microsoft Store Sydney and Parramatta*

· I was responsible for mentoring young people with programming. I facilitate their learning activity by demonstrating the content to cover and assisting them in developing their own small projects or chosen activity. I am also for marketing and liaising with stakeholders who are interested in partnering with CoderDojo.

Sydney University   2013-2014
Student Representative   *Campberdown,NSW*

· I gathered information from students and communicate their views to the faculty members. I did this to improve the learning experience of current and future students.

Aiesec Poland   November 2013- February 2014
Intern   *Poznan, Poland*

· I taught English to Polish Kindergartens and assisted the organisation in promoting Global Host Family and diversity to Polish students.
